

Soho Chair (Indent)

Brand: Siesta

The Soho Chair is no ordinary plastic chair. It's extraordinary strength is due to the entire chair being one-piece injection moulded polypropylene reinforced with glass fiber obtained by means of the latest generation of air moulding technology. The plastic is packed with UV stabiliser, so this chair will not fade or go brittle even in the sunniest weather conditions. The Soho Chair has a CATAS Certificate (complies to European commercial standards) and is built to last in busy commercial venues, indoor or outdoor.
