GIO STOOL

ABOUT THE GIO STOOL

The Gio Stool is shaped for maximum comfort, and built to withstand the roughest and toughest conditions. Extremely popular and versatile, the Gio Stool look just right in any commercial venue. The plastic shell is UV stable so it will not fade or go brittle in Australia's harsh outdoors. The aluminium legs have been anodised so they will not rust even when used in coastal areas. Tried, tested and proven in the Australian market, the Gio Stool has exceeded all expectations with its long lasting durability.
