

## Tuscany Table Tops

The Duratop Tuscany table tops are a quality, seamless, hygienic and functional table top suitable for indoor use only. These table tops are manufactured in South East Asia and are made from solid 32mm thick, genuine European Beechwood. These tables are great value for money as they are durable, inexpensive and appealing to the eye. These tops come in two different colours; Chocolate and Natural and have a quality stain finish.

These tops have a guaranteed 2 year structural warranty and come with inserted metal struts underneath to greatly enhance strength and prevent bowing.

The 25mm thick tops are discontinued - they are now a 32mm thick top.
