

## Palm Stool

Looking for the ultimate in indoor and outdoor comfort? The Duraseat Palm Stool ranks among the top commercial barstools available on the market today. This is a quality wicker chair expertly woven with a sturdy leg frame giving this stool extraordinary strength and stability.

Contoured for ergonomic comfort, the Duraseat Palm Stool is at home both in the indoors and rough outdoor conditions. If you're in the market for sturdy stools for your outdoor cafe, look no further. The Palm Stool is an extremely versatile and popular design that's meant for heavy commercial use but flaunts clean, flawless lines that will impress even the most fastidious cafe designers in Australia.

The Palm Stool is a product born out of innovation and advancements in technology. It has a special anti-UV coating that protects it from the harsh Australian outdoor climate. Tried, tested and proven in various commercial settings, this barstool with its unique beauty, sturdy construction and affordable price point has exceeded all expectations, bringing joy to everyone who's had the privilege to unwind in one of these barstools.
